GENERAL INFORMATION

The Qualification and Disciplinary Commission of Public Prosecutors is a collegial body that, according to the powers provided for by the Law of Ukraine ‘On the Public Prosecutor’s Office’, determines the level of professional training of those individuals who have expressed their intention to hold the position of a prosecutor and addresses matters of disciplinary liability, reassignment and dismissal of prosecutors.

On April 15, 2017, those provisions of the Law of Ukraine ‘On the Public Prosecutor’s Office’ **became effective** which concern the operation of prosecutorial self-governance bodies and of the **Qualification and Disciplinary Commission of Public Prosecutors** (the ‘Commission’).

Prior to these provisions becoming effective, the matters associated with appointment, reassignment, disciplinary liability and dismissal of prosecutors were addressed **solely** by the Prosecutor General or by the heads of regional prosecutor’s offices.

Currently, the selection of candidates for vacant or temporarily vacant positions of prosecutors at local prosecutor’s offices and positions of prosecutors at higher public prosecutor’s offices is carried out by the Commission **on a competitive basis**.

These innovations in the Law of Ukraine ‘On the Public Prosecutor’s Office’ **have increased objectivity and transparency and introduced the principle of collegiality in the settlement of personnel issues**.

Furthermore, in order to establish an objective and independent disciplinary liability mechanism, a clear and adversarial procedure for handling of complaints about prosecutors’ actions has been introduced, which guarantees an unbiased examination of anyone’s complaints and the ability for a prosecutor to defend efficiently his/her position on an adversarial basis.
